A mysterious assignment

Anton spoiled Damien who was hiding to take some notes. When he noticed him, Damien ripped the page off his notebook, before putting it in his pocket. Then, they both worked on an assignment for Mr. Gaunt. Maybe you can make Damien’s notes appear on the paper.

If you find ITEM 11, take 2 from the Vortex without exceeding your starting level.

---

TODAY’S NEWSPAPER

The waitress turns to a customer:

“Tommy… Play the song you want, but not Number 23! It reminds me too much of the missing kid. You know, he came here on mourning, the song was quite sad, the kid was from the Vortex. Damn! This is a day old and…”

---

Redemption

After years of bad behavior, Doug tries to make amends.

Support every other agent attempting a test at least once during the game, if that test is successful, let the agent so they will not forget it.

When you have successfully helped every other agent, take ITEM 6.

---

ITEM 1

You can see your face on the newspaper, as if you were the missing child… before it disappears.

You can keep on talking about Damien: remove this card.

“OK, but I keep my money then. Damien came to the store, on the morning he disappeared. Here’s the proof!”

Find Amy’s father, free and safe and sound, if you succeed, take 2 Destiny cards. You get 1 and return the other to the top of the pile. Then, shuffle the pile of Destiny cards. You can use this gear once. Afterward, remove this card.

MOM’S LUCKY LOCKET

Before any test, use the locket to reveal 2 Destiny cards: choose 1 and return the other to the top of the pile. Then, shuffle the pile of Destiny cards. You can use this gear once. Afterward, remove this card.

The missing father

Damien is not the only one who has been missing: Amy’s father vanished last Thursday. He’s not Father of the year, but Amy loves him and will do anything to help him.

You are ejected from this location.

You can spend time here. He rewarded me if you got you involved.

Before any test, use the locket to reveal 2 Destiny cards: choose 1 and return the other to the top of the pile. Then, shuffle the pile of Destiny cards. You can use this gear once. Afterward, remove this card.

Every penny counts

Daughter of a dishonest salesman, Jennifer has never had much money, because of the crippling debt of her father. She tries to save money and has become quite stingy. She only has one ambition: getting rich.

Ah! At the end of the game, if you have more than each other agent after the debriefing, remove 1 from the Update space of the Mission Return card.
Curiosity killed the cat. You should not have read this card.

"Amy, there’s nothing I can do for your father. I’m not in charge of his case. But I received several complaints about … What? You have crucial information? OK, I’m listening, but you’d better be persuasive or I send you back to school!"

Take ITEM 2.

"Amy! What’s going on? You and your father used to come here. If you don’t have any cash, just ask! Damien? Yes, I saw him, he bought some weed killer. What? You want the receipt? I’ve got better things to do!

As you look sad, the manager finally agrees to give you the precious document.

"Alright Amy, you’ve got your receipt, and I’ve got some work to do. Sorry, bye now."
