A pyramid model.
The opposite side of the pyramid.
The temple of RA has just been excavated in the Valley of the Kings. You are certain that it holds an amazing treasure. Unfortunately, no one pays attention to your theories that people find bizarre...

So, you decide to take risks and to sneak into the temple at nightfall, between two patrols. After a long tunnel, the glow from the flashlight illuminates the anteroom...

Flip this card over and start the timer. The game begins!
